

Coronavirus Club Risk Assessment

This risk assessment is designed for BMABA registered clubs and instructors to assist in the delivery of Covid-Aware martial arts sessions. This risk assessment is designed to assess clubs for suitability to deliver 'in-person' training indoors.

VENUE NAME: **Higher Fold Community Centre**

Postcode: **WN7 2UB**

Date Of Assessment: **1st Sept 2020**

LEAD INSTRUCTOR: **Oliver Navarro**

BMABA Registration Number: **32157**

Completion of the BMABA Covid-Aware Martial Arts Instructor Qualification and a full ESCP document are essential for this documents validity.

Essentials:

Has the latest Government Guidance on distancing and re-opening been considered?
Guidance is available from mybmaba.org.uk

Has the lead instructor completed BMABA Covid-Aware Qualification and has access to a full ESCP Policy?

Venues & Local Authorities

This risk assessment is specifically in relation to the risk of Coronavirus. It does not show due diligence or a standard risk assessment for the broader venue and practice of martial arts.

For a full picture on risk assessment, please request from the BMABA club or instructor;

- Covid-Aware Instructor Certification
- ESCP Policy Document
- Covid Risk Assessment
- Standard Risk Assessment

You can verify an instructor's insurance, DBS, safeguarding, first aid and technical competencies from bmaba.org.uk/verify.

Risk / Hazard	Mitigation And Control	SIGNATURE ON COMPLETION
<p>Pre-Entry & On Entry</p> <p>Parents and students not observing social distancing when arriving at the venue</p> <p>Breaches to social distancing entering and leaving the venue</p> <p>Bags and personal possessions cross contaminating others' possessions</p>	<p>Pre-communication of policy on distancing as well as a pre-planned arrival / exit strategy through Facebook Messenger.</p> <p>Instructor to control entry and exit from the training venue to ensure orderly queue and controlled movement of people</p> <p>Designated 'safe place' for bags and other personal equipment which will be appropriately marked off and cleaned prior to use. Personal belongings to be kept distanced from other person's items</p>

Risk /Hazard	Mitigation And Control
<p>Cleanliness & Hygiene</p> <p>Standard Risk Assessment</p> <p>Risk of infection from venue surfaces</p> <p>Risk of infection from flooring</p> <p>Risk of infection from equipment</p> <p>Risk of infected student or parent arriving at venue for class (or dropoff/pickup)</p> <p>Risk of infection from transferal to mats / training area</p>	<p>To be completed and present at all times, as normal</p> <p>Instructor to complete cleansing of venue hard surfaces (door handles, window ledges, handrails etc) prior to arrival of students.</p> <p>Instructor to do so in appropriate PPE (face shield/mask and gloves) which can be safely disposed of after use</p> <p>Where a hard floor surface is present, instructor to discuss with venue who's responsible for disinfecting (not just cleaning) prior to use. If necessary, clean.</p> <p>Everyone – Instructors, Student, spectators are to wear footwear at all times.</p> <p>Use of equipment, like focus mitts and punch bags to be kept to absolute minimum. Any equipment provided and must be disinfected with anti-viral solution before and after each use. Students will be advised to use own equipment where-ever possible.</p> <p>Club to make assessment on use of temperature checking all entrants to venue. Parents and all Students to receive clear communication prior to training that they should not attend if presenting any Covid-19 symptoms. The same high standards of cleanliness and distancing must be adhered to by any 'passing' visitors.</p> <p>Students to be asked to remain stationary in designated training area in line with ESCP policy and to make way in controlled way to training space under instruction of the instructor. One way system to be used for any shared spaces</p>
<p>Class Delivery</p> <p>Risk of students breaching social distancing during classes and training</p>	<p>Students to be reminded prior and throughout class of current social distancing measures. Instructor to make up to date assessment of best practice surrounding the current safe distance prior to each lesson commencing. Clear floor markings – where space is restricted - to be used to control flow of movement and to clearly demonstrate safe spacing wherever possible. Parents must be able to confirm they have instructed their child(ren) appropriately on follow guidance to the best of their ability.</p>

Risk of training producing contact between students

All techniques and drills to be pre-decided by instructor to ensure syllabus is appropriate to space

Risk of instructor breaching social distancing measures in the event of an intervention (on the grounds of safety)

Instructor to ensure facemask and disposable gloves are available for any required intervention. Prior communication via ESCP policy essential to ensure students understand possibility of physical intervention for preservation of safety.

Risk of infection from waterbreaks and pauses to training

Waterbreaks and other appropriate pauses to be controlled and pre-planned, with students instructed to ensure waterbottles and towels etc are available within their safe space, or via a controlled exit and return to mats

Class Conclusion / Exit

Risk of infected equipment and training aids

All equipment to be left 'on the spot' when lesson concludes and must be fully cleansed by the instructor, whom must wear full PPE

Risk of infected flooring and fixtures

Prior discussion with venue on whom is responsible for cleansing hard flooring.

Risk of crowding on exiting training space and leaving the venue

Follow entry and exit risk assessment, from section 1

Risk of parents breaching distancing during pickup

Parents to receive full and prior policy via ESCP document on protocol for collection. Floor markings and signage must be visible prior to entry to the venue.

		
<p>Additional Consideration</p> <p>Safeguarding</p> <p>Essentials</p>	<p>Full safeguarding policy to be active at all times. Covid-19 does not excuse or delay any safeguarding priorities, which will be enforced as a first priority in line with ESCP policy.</p> <p>The presence of full standard, essential criteria must</p>
